Major/Minor in LLAS

Major in Latino & Latin American Studies

The major in LLAS allows students to explore their interests as they pertain to Latin American, Caribbean and Latine peoples. Students learn research methods, apply them to community settings, design original capstone projects, & can mix and match courses across disciplines. In this way students craft unique intellectual profiles & resumes.

Minor in Latino Studies

The interdisciplinary minor in Latino Studies advances a critical understanding of Latinos as an integral social & cultural component of the U.S. society & of the American hemisphere. Since it employs interdisciplinary research methods, this minor enhances a variety of majors & fields of study.

Minor in Latin American Studies

The interdisciplinary minor in Latin American Studies offers a basic understanding of the peoples & cultures of Latin America & the Caribbean, their histories & contemporary economic, social, and political problems, and their relations with the United States.
